Dear Members,

Following the decision of 32nd APRA, we open the procedures of collecting the new project ideas for 2023.

Following APRA PMT decision, we propose to evaluate the incubator 2019-2021 and send to us the upgraded version with no more than 20 projects.

The project sheet template and APRA incubator are uploaded on extranet.

The deadline for both actions is the 25 March 2022.

Please keep the deadline for the preparation of the APRA Projects Follow-up Workshop – Part 1, which will be held online on Friday 8 April 2022.
